

## **WOODFIELD COMMUNITY ASSOCIATION, INC.**

### **LAWN GUIDELINES**

1. Lawns shall be kept well maintained by cutting the grass as necessary, edging along the sidewalk and driveway, trimming the grass along the edge of the house and the flowerbeds, and removing grass and/or weeds that grow between the gutter and the street, and between sidewalk slabs.
2. The lawn shall be treated as necessary for weeds and insects.
3. All lawns should be compatible native Florida grass.
4. The lawn shall be watered as needed (per watering restrictions) to be maintained.
5. Dead areas of lawn shall be replaced, sodded or plugged.
6. All grass trimmings, landscape cuttings, and harvested weeds must be properly disposed of and in no circumstances be placed nor blown into the storm drainage/sewer system.
7. Artificial turf lawn is not approved.
