

WOODFIELD COMMUNITY ASSOCIATION, INC.

SPRINKLER SYSTEM GUIDELINES

1. The installation of an irrigation system is subject to all applicable permit requirements.
2. The irrigation system shall be installed in a professional manner.
3. The irrigation risers shall be painted black, green, or brown to blend into the surrounding landscaping when their height or design makes them dominant.
4. Any house exterior surface, driveway, sidewalk or curbing including curbing on adjacent properties that becomes stained by an irrigation system shall be cleaned.
